The image shows a 15x15 grid for a Monks and Soldiers Sudoku puzzle. The grid contains numbers in some cells and is divided into several regions by thick black lines. A central 4x4 area is shaded with a cross-hatch pattern. Four specific regions are highlighted with blue borders: a 3x3 square at the top center, a 3x3 square on the right side, a 3x3 square at the bottom center, and a 3x3 square at the bottom left. The grid is otherwise empty.
